

CB 63-1

Chief, Current Support Staff, ORR
THRU : Chief, Resources Division, ORR
Chief, Food and Agriculture Branch, D/R

21 December 1962

**Transmittal of Proposed Current Support Brief on Setbacks in
Soviet Agriculture.**

1. The attached statement is being forwarded to Current
Support Staff for publication as a Current Support Brief. This 25X1A
statement was prepared by [redacted] to whom any comments
or questions should be directed: [redacted] 25X1A

2. Consideration should be given to including in the CSB
a dot map showing the areas of the USSR which grow potatoes and
the region most adversely affected by the cool wet weather in 1962.
Quotations from Baltic leaders on "starvation", "famine", etc.,
could be overlaid on the map.
